

Hi,

Welcome to Code Eater Batch - 7. I hope you are excited.

Three important things that I want to convey here are -

1. Class is on every Saturday and Sunday at 8 pm(IST). Sometimes it also happens on weekdays about that you will get information in the telegram group.
2. By chance you have not received the mail. You can still join the session from the dashboard by clicking on the Live Class Link.
3. And if by chance you missed the class recordings will be available after 3 - 4 hours after the LIVE class has ended.
